

HEMP Health & innovation

EXPO AND SYMPOSIUM 2016

“An event like this is not just about the medicinal and therapeutic side but the whole clothing and industrial applications of it.... To be able to apply horticulture in lots of different ways, that’s what I love.”
Costa Georgiadis, 2016
 (Gardening Australia)

1st OF ITS KIND IN AUSTRALIAN HISTORY

OVER **5000** ATTENDEES

“FASCINATING, a really worthwhile trip”

FEEDBACK

“An event held to educate people about the different products that can be made from the plant...the passion to provide more access across both industries is clear.” - **NBN News**

“I’ve never seen such a great group of fellow activist all gathered together, all supporting this great plant and all sharing our research and our knowledge together.” - **Sol Ramana Clarke** (The Hemp Solution Documentary)
